## Dress Code Agreement

Over the years, the clothing industry is making it harder and harder for young men and young women to dress in modest attire. We understand that we all come from different areas where the school dress codes are a bit different. So, we thought it would be best if we had the same dress code for the whole camp. *We know that you will help everyone focus on the one purpose of camp, which is to glorify God, not draw attention to ourselves.*

**Girls:** Loose is good, please avoid anything that is tight fitting. (**tights and yoga pants are not allowed, unless worn under shorts**) Nothing with spaghetti straps, tube tops, or see-through. All shirts need to come over the edge of the shoulder. No low cut or low neckline shirts (remember we will be playing sports). Shirts that show midriff or the belly button are not acceptable for camp. You should be able to raise your hands and your shirt not rise above your jeans. **Shorts need to be knee length, or spandex bike shorts may be worn underneath.** One-piece bathing suits are allowed with a t-shirt and shorts covering it. No muscle shirts or wrap around, but a loose fitting t-shirt.

**Guys:** **We want you to wear shirts at all times.** We understand that it will get hot, but you must wear a shirt during sporting activities. Wear shorts and pants that will cover your boxers. Wear shirts that have sleeves and cover your mid-section. No muscle shirts permitted. You will need a t-shirt to wear with your swim trunks.

**Everyone:** Please don't wear jeans or shorts with holes in the rear or the front. T-shirts that have inappropriate slogans, pictures or promoting negative things are not accepted.

**We want this camp to be about God. We know that is your heart also, so if we will prepare our hearts for this there should be no problems.**
